

Best Food in the World

And Seafood House

Glenn's Diner evolved from a concept to "re-invent" the diner type breakfast / lunch / dinner restaurant. The results: A unique "Finer Diner" that combines fresh seafood & diner type entrees in a casual everyday style food that is so flavorful & delicious that it can be enjoyed several times a week.

SIMPLE PREPARATION...FRESH PRODUCT...FAIRLY PRICED

So...choose a bowl of Cereal, Ham & Cheese Omelette, Po' Boys Sandwich or a nice piece of Salmon...

That's what we're talkin' bout! Bon Appetit!
